Hi Lorena,

I discussed the contract with Liz and also with Alan Johnson. Everything looks good except the insurance section. In this case, we are hired by PBID to book acts for a PBID festival, and the acts are separate entities, not GVF employees. In fact, the artist contracts do state that the signer holds presenters harmless. To sign, that section would need to be removed.

And, just to cover all bases, in the Talent section, at the end of the second paragraph, please add the line: Talent and other service providers contracted by Grand Vision Foundation shall in no way be construed as employees of Grand Vision Foundation.

Thank you and let's meet soon.

Taran
